Aphaca - En drøm om et menneske

Vi sætter os ned, og ser dybt ind i hinanden
Lange øjne, du kan, få mig ud på kanten
Hvor mange gange tror du, vi skal tilgi' hinanden?
For at være dem der danser, som gamle på gaden

En drøm om et menneske
Du elsker, at elskes
Jeg er der, når alt det springer
En drøm om en verden
Der elsker at elskes
Sig mig drømmer jeg virkelig stadig?

Himlen falder, men regnen rager os ikke hjem
Alt den modstand får mig aldrig til at holde igen
Så længe mine fødder stadig plasker i takt
Med det nummer som du altid satte på

En drøm om et menneske
Du elsker, at elskes
Jeg er der, når alt det springer
En drøm om en verden

En drøm om et menneske
Du elsker, at elskes
Jeg er der, når alt det springer
Gm* Gm/F*
En drøm om en verden
Der elsker at elskes
Sig mig drømmer jeg virkelig stadig?

Cure - Boys dont cry

I would say I'm sorry
If I thought that it would change your mind
But I know that this time
I have said too much, been too unkind

I try to laugh about it cover it all up with lies
I try to laugh about it hiding the tears in my eyes

'Cause boys don't cry
Boys don't cry

I would break down at your feet
And beg forgiveness plead with you
But I know that it's too late
And now there's nothing I can do

So I try to laugh about it, cover it all up with lies
I try to laugh about it, hiding the tears in my eyes

'Cause boys don't cry
Boys don't cry

I would tell you that I loved you
If I thought that you would stay
But I know that it's no use
And you're already gone away

Misjudged your limits
Pushed you too far
Took you for granted
I thought that you needed me more more more

Now I would do most anything
To get you back by my side
But I just keep on laughing
Hiding the tears in my eyes

'Cause boys don't cry
Boys don't cry
Boys don't cry

On candystripe legs spiderman comes,
Softly through the shadow of the evening sun.
Stealing past the windows of the blissfully dead,
Looking for the victim shivering in bed.
Searching out fear in the gathering gloom,
And suddenly! A movement in the corner of the room!
And there is nothing I can do when I realise with fright
That the spiderman is having me for dinner tonight!

Quietly he laughs, and shaking his head
Creeps closer now, closer to the foot of the bed,
And softer than shadow and quicker than flies,
His arms are all around me and his tongue in my eyes...
"Be still, be calm, be quiet now, my precious boy,
Don't struggle like that, or I will only love you more,
For it's much too late to get away or turn on the light;
The spiderman is having you for dinner tonight!"

And I feel like I'm being eaten
By a thousand million shivering furry holes,
And I know that in the morning
I will wake up in the shivering cold...

C#m(*)

And the spiderman is always hungry...

Cure - Why cant I be you

You're so gorgeous I'll do anything
I'll kiss you from your feet to where your head begins
You're so perfect, you're so right as rain
You make me makeme make me make me hungry again

Everything you do is irresistible
Everything you do is simply kissable
Why can't I -I be you?
Why can't I be you?

I'll run around in circles 'til I run out of breath
I'll eat you all up or I'll just hug you to death
You're so wonderful too good to be true
You make me make me make me make me hungry for you

Everything you do is simply delicate
Everything you do is quite angelicate
Why can't I be you?
Why can't I be you?

You turn my head when you turn around
You turn the whole world upside down
I'm smitten I'm bitten I'm hooked I'm cooked I'm stuck like glue
You make me make me make me make me hungry for you

Everything you do is simply dreamy
Everything you do is quite delicious

So Why can't I be you?
Why can't I be you?

Why can't I be you?
Why
Why can't I be you?
Why can't I be you?
Why can't I be you?
Why can't I be you?
You're simply elegant!!!

Cure - Lovecats

We move like cagey tigers
Oh, we couldn't get closer than this
The way we walk, the way we talk
The way we stalk, the way we kiss
We slip through the streets while everyone sleeps
Getting bigger and sleeker and whiter and brighter
We bite and scratch and scream all night
Let's go and throw all the songs we know

Into the sea, you and me
All these years and no one heard
I'll show you in spring, it's a treacherous thing
We missed you, hissed the
Lovecats we missed you, hissed the
(Bah da bah bah bah bada, Bah ba bah, bah ba ba bada)
Lovecats
(Bah da bah bah bah bada, Bah ba bah, bah ba ba bada)

You're so wonderfully, wonderfully, wonderfully, wonderfully pretty
Oh, you know that I'd do anything for you
We should have each other to tea, huh?
We should have each other with cream
Then curl up in the fire and sleep for a while
It's the grooviest thing, it's the perfect dream

Into the sea, you and me
All the years and no one heard
I'll show you in spring, it's a treacherous thing
We missed you, hissed the
Lovecats we missed you, hissed the

Lovecats we missed you, hissed the
Lovecats we missed you, hissed the
(Bah da bah bah bah bada, bah ba bah, bah ba ba bada)
Lovecats we missed you, hissed...

You're so wonderfully, wonderfully, wonderfully, wonderfully pretty
You know that I'd do anything for you
We should have each other to dinner
We should have each other with cream
Then curl up in the fire, get up for a while
It's the grooviest thing, it's the perfect dream

Hand in hand is the only way to land
And always the right way round
Not broken in pieces like hated little meeces
How could we miss someone as dumb as...
This? (how can we miss someone as dumb as) We missed you, hissed the
Lovecats

(Bah da bah bah bah bada, bah ba bah, bah ba ba bada)
I love you, let's go
(Bah da bah bah bah bada, bah ba bah, bah ba ba bada)

(ooh, solid gold)

The love cats... love... love... huh, lovecats

Gorillaz - The Plastic Guru

(Tempo 126)

Note: C/B er 2 fingre
F kan være Fmaj7, check det

I thought I was alone
But you know what I'm thinking, you've been here before
You were tied to the demon
Starring in your own show and selling your snake oil

We believe what we choose
Is that not the truth?

I looked into the eyes
of the plastic guru, who lived on the mountain
He was tied to the demon,
burning in the silence before the applause
N.C
Okay

We believe what we choose (what we choose)
Is that not the truth?
We believe what we choose (what we choose)
Is that not the truth?
We believe what we choose (what we choose)
Is that not the truth?
If we believe what we choose
Is that not the truth?

Gorillaz - Feel good inc

City's breaking down on a camel's back.
They just have to go 'cause they don't know wack
So all you fill the streets it's appealing to see
You wont get out the county, 'cos you're bad and free
You've got a new horizon It's ephemeral style.
A melancholy town where we never smile.
And all I wanna hear is the message beep.
My dreams, they've got to kiss, because I don't get sleep, no..

(2 bars)

Windmill, Windmill for the land.
Turn forever hand in hand
Take it all there on your stride
It is sinking, fa-alling down

Love forever love is free - Let's
- turn forever you and me
Windmill, windmill for the land
Is everybody in?

(Timing is different here, chords same as first verse.)
Laughing gas these hazmats, fast cats,
Lining them up-a like ass cracks,
Lay these ponies at the track
Its my chocolate attack.

Shit, I'm stepping in the heart of this here
Care bear bumping in the heart of this here
Watch me as I gravitate
Hahahahahahaa.

Yo, we gonna go, ghost town this motown with-
yo sound, you're in the place. You gonna-
bite the dust, can't fight with us with-
yo sound, You kill the INC.

So don't stop, get it, get it
Until you're Jet Ahead.
Yo, watch the way I navigate
Hahahahahhaa

Shake it shake it, feel good
shake it shake it, feel good

Windmill, Windmill for the land.
Turn forever hand in hand
Take it all there on your stride
It is sinking, falling down
Love forever love is free
Let's turn forever you and me
Windmill, windmill for the land
Is everybody in?

Don't stop, get it, get it
We are your captains in it
Steady, Watch me navigate,

Ahahahahahhaa. [2x]

Feel good, AHHHHahahahaha
Feel good,
Feel good, AHHHHahahahaha
Feel good....

Gorillaz - The happy dictator

I am the one to give you life again
I am the one to save your soul
Amen

As the shadows, they are forming, come and join me centre stage
(Oh, what a happy land we live in)
If you are empty and abstracted and your broken heart is full of rage
(Oh, what a happy land, oh yeah)
In a world of fiction, I am a velvet glove
(Oh, what a happy land we live in)
I am your soul, your resurrection, I am the love
(Oh, what a happy land, oh yeah)

So look out to the west now, see where the devil lies
(Oh, what a happy land we live in)
Its pharmakon is with you and your empire it is paralysed
(Oh, what a happy land, oh yeah)
I'll propagate eternity and seal it with my kiss
(Oh, what a happy land we live in)
So look into the coffin and let me grant your wish
(Oh, what a happy land, oh yeah)

No more bad news
So you can sleep well at night
And the palace of your mind will be bright

Everything is slowing down yet everything is faster
(Oh, what a happy land we live in)
While everyone is consuming I'll save you from yourself
(Oh, what a happy land, oh yeah)
Upon this world of fiction my love I will bestow
(Oh, what a happy land we live in)
And as we march into the future happiness will grow

(Oh, what a happy land, oh yeah)

No more bad news
So you can sleep well at night
And the palace of your mind will be bright

Everything is slowing down yet faster (Will be bright)
Consuming us, I'll save you from yourself (Will be bright)
My love bestowed upon this world of fiction (Will be bright)
March to the future happiness grows (Will be bright)
Are you not better off than ever? (Will be bright)
Are you not better off right now? (Will be bright)
When have you felt this way, I ask you (Will be bright)
When have you felt better off than right now? (Will be bright)

I am the one to give you life again
I am the one to save your soul
Amen

No more bad news (Moun - tains and rain - bows, palaces of love)
So you can sleep well at night
And the palace of your mind will be bright
(Moun - tains and rain - bows)
So you can sleep well at night
And the palace of your mind will be bright (Palaces of love)

So you can sleep well at night and the palace of your mind will be bright

Gorillaz - On Melancholy Hill

Capo 2

Up on melancholy hill
There's a plastic tree
Are you here with me?
Just looking out on the day
Of another dream

Well, you can't get what you want
But you can get me
So let's head out to sea
'Cause you are my medicine
When you're close to me

When you're close to me

Ooo, ooo, ooo, ooo

So call in the submarine
'Round the world we'll go
Does anybody know?
If we're looking out on the day
Of another dream

If you can't get what you want
Then you come with me

Up on melancholy hill
(hul)
Sits a manatee
Just looking out for the day
When you're close to me
When you're close to me

When you're close to me

I ain't happy, I'm feelin' glad, I got sunshine in a bag
I'm useless, but not for long the future is comin' on
I ain't happy, I'm feelin' glad, I got sunshine in a bag
I'm useless, but not for long the future is comin' on
It's comin' on, it's comin' on,
It's comin' on, it's comin' on,

Finally someone let me outta my cage
Now time for me is nothin' cuz I'm countin' no age
Nah, I couldn't be there, now you shouldn't be scared
I'm good at repairs, and I'm under each snare
Intangible, I bet you didn't think so I command you to
Panoramic view, Look I'll make it all manageable
Pick and choose, Sit and lose, all you different crews
Chicks and dudes, so who you think is really kickin' tunes?
Picture you gettin' down in tha picture tube,
Like you lit the fuse, you think it's fictional?
Mystical? maybe, Spiritual?
Hero who appears in you to clear your view when you're too crazy
Lifeless, to know the definition for what life is
Priceless, To you because I put you on the hype shit
You like it? Gun smokin' Righteous with one toke
Psychic among those, Possess you with one go
I ain't happy, I'm feelin' glad, I got sunshine in a bag
I'm useless, but not for long the future is comin' on
I ain't happy, I'm feelin' glad, I got sunshine in a bag
I'm useless, but not for long the future is comin' on
It's comin' on, it's comin' on,
It's comin' on, it's comin' on,

The essence, the basics, without that you make it
Allow me to make this, child-like-in-nature

Rhythm, you have it or you don't that's a fallacy
I'm in them every sprouting tree, every child apiece
Every cloud you see. you see with your eyes,
I see destruction and demise, corruption in the skies
From this fuckin' enterprise, now I'm sucked into your lives
Through Russel not his muscles but percussion he provides
With me as their guide
Y'all can see me now cuz you don't see with your eye

You perceive with your mind
That's the inner
So I'ma stick around with Russ and be a mentor
D#/A#
Bust a few rhymes so mother fuckers remember

What the thought is I brought all this,
so you can survive when law is lawless
Feelings, sensations that you thought was dead
No squealing, remember that it's all in your head

I ain't happy, I'm feelin' glad, I got sunshine in a bag
I'm useless, but not for long the future is comin' on
I ain't happy, I'm feelin' glad, I got sunshine in a bag
I'm useless, but not for long the future is comin' on
It's comin' on, it's comin' on,
It's comin' on, it's comin' on,

Guldimund - Ring Når Du Har Tid

Sorte fugle pirker til de Rådne frugter i havens hvide sne
Min verden hviler bag en sølvblå himmel af dis
Trækker efeu ud af barken fra det store æbletræ
Og min latter runger dybere for hver dag
Sidste gang vi talte var du bange for at jeg mister evnen
Til at være mild hvis jeg bliver ved med at være så hård
Jeg vil ikke stå i skæret fra de broer jeg har brændt
Jeg vil sole mig og høre de sange du har sendt

Ring når du har tid
Til at tales ved
Verden er så vild men

Bare du findes i den
Tror jeg den kan ændre sig
Ring når du har tid
Håber du er glad
Tænker på dit ansigt
Lige nu er du langt væk
Jeg ved at du elsker mig
Selvom du nok øser af dig selv et andet sted
Så bare tag din tid og indtil da så venter jeg

Drikker te med forest fruits og doomscroller i min samtale med dig
Mens lys fra biler glider hurtigt over mit loft
Jeg kan huske varmen fra din ryg da jeg sad bag på dig
I det røde lys en nat på Landsdommervej
Brændbomber i insta-story efterfulgt af en schæfer hundehvalp
Min røde varmepumpe føles som en lille krop
Og jeg kigger på den selfie du har sendt for sidste gang
Før jeg lukker alle faner og sætter en alarm

Ring når du har tid
Til at tales ved
Verden er så vild men
Bare du findes i den
Tror jeg den kan ændre sig
Ring når du har tid
Håber du er glad
Tænker på dit ansigt
Lige nu er du langt væk
Jeg ved at du elsker mig
Selvom du nok øser af dig selv et andet sted
Så bare tag din tid og indtil da så venter jeg

Første gang jeg så dig var min verden kløvet i to
Du gled med lethed ind mørket med dit væsens varme og tro
Så jeg lændede mig taknemmeligt ind i dine øjnes glød
Men solen faldt og blev til lys og liv efter død
Lyden af din stemme blev til søjler inde i mig
De bærer hvælving efter hvælving fra de åbne vidder i dig
Og i disse kæmpe sale er der plads ved nådens bord
Vi deler uden tøven alt mellem himmel og jord

Ring når du har tid
Til at tales ved

Verden er så vild men
Bare du findes i den
Tror jeg den kan ændre sig
Ring når du har tid
Håber du er glad
Tænker på dit ansigt
Lige nu er du langt væk
Jeg ved at du elsker mig
Selvom du nok øser af dig selv et andet sted
Så bare tag din tid og indtil da så venter jeg

Verden er for vild hvad var det egentlig du ville med mig
De høje huse kalder på mig, men det er ikke min vej
De røde lygter blinker vådt i asfalt, mørkets kuldegys
Både du og jeg og verden må leve i lys
Jeg savner dine forsvar, de første forsigtige skud
Men når din tavshed ligner løgne springer alarmdæmonerne ud
Og de skriger højt om redningskranse, druknedød, forlis
Lokker ikke helt alene på usikker is

Ring når du har tid
Til at tales ved
Verden er så vild men
Bare du findes i den
Tror jeg den kan ændre sig (ved jeg den kan ændre sig)
Ring når du har tid
Håber du er glad
Tænker på dit ansigt (tænker på dit ansigt)
Lige nu er du langt væk
Jeg ved at du elsker mig
Selvom du nok øser af dig selv et andet sted
Så bare tag din tid og indtil da så venter jeg (indtil da så venter jeg)
Bare tag din tid og indtil da så venter jeg
Bare tag din tid og indtil da så venter jeg

Guldimund - Hvordan ser gud ud

Med opmærksomheden rettet mod de nyspartlede huller i min stuevæg
Irettesætter jeg dig med et tonefald, så hårdt, at det ku' bryde is
Fordi du spilder noget suppe, jeg har varmet op på det teaktræsbord,
jeg lige har købt af en dude på Den Blå Avis

Jeg sætter tommeltot og langefinger mellem mine øjne
Lukker dem i cirka ni sekunder, mens jeg ekshalerer dybt
Lægger hovedet på skrå og ser på dig, før jeg roder rundt i dit grydehår

Du rejser dig og danser lidt i stolen
Jeg siger, du ska' sæt' dig ned
Du siger, jeg skal sige til mor
Du aldrig gider 'sove her igen

Så spurgte du mig, hvordan Gud ser ud?
Det er et virkelig godt spørgsmål, hva' tror du?
Du svared': "Jeg tror han bor i en landsby i Nordsjælland"

Jeg parkerer dig i brusenichen med en spand af plastik
Og legetøj fra BR, som vi har valgt sammen første gang, du kom og sov
Og oppustelige fisk, som lugter lidt af kondomer, tænker jeg, og tænker du
tænker det

Og du synger: "na-na-na-na-na-na"
Jeg ka' høre dig, mens jeg rydder op
Og vi griner, da jeg gi'r dig din pyjamas på
Og jeg gubber mildt, men energisk på din spinkle krop

Du rejser dig og danser lidt i sengen
Jeg siger, du ska' læg' dig ned
Du siger, jeg skal sige til mor
Du aldrig gider 'sove her igen

Så spurgte du mig, hvordan Gud ser ud?
Det er et virkelig godt spørgsmål, hva' tror du?
Du svared': "Jeg tror han bor i en landsby i Nordsjælland"

Kneecap - Better way to live

Underneath all the thundering there's magic
And if there's a better way to live, I've gotta have it
Because I think all day, but when I drink I'm okay
It gets further away, every time I try and grab it
Underneath all the chattering there's heaven
I got a little peek one day, made me feel like I was 7
I know it exists, but I can't stop getting pissed
One more thing I'll be adding to the list

Faoi dheireadh tá deireadh tagtha le mo rut
 Mar bhí lá maith agamsa inniu buíochas le foc
 So I stroll I dtreo an pholl sa bhalla
 4 digit code, what do you know its Mo Chara
 And I'm gonna be spending my dole tonight
 Two pints at a time strolling about like Dolemite
 But home for a shite ar dtús, thit sé amach one push
 Mar nach raibh bac ar bith ag bailiú strap inniu, seo Móglai Bap
 (what's happening)
 And then we both jump down and do a class handstand
 Like a man's man can
 Fág slán leis an dúshlán a bhí againn an mhí seo
 Mar go dtí seo, I'm on the upside of the sea-saw

Underneath all the thundering there's magic
 And if there's a better way to live, I've gotta have it
 Because I think all day, but when I drink I'm okay
 It gets further away, every time I try and grab it
 Underneath all the chattering there's heaven
 I got a little peek one day, made me feel like I was 7
 I know it exists, but I can't stop getting pissed
 One more thing I'll be adding to the list

 Ach ní ligim orm féin cause an ndéanann sé stop?
 Obviously not, what? Is mise Moglai Bap
 Cuirim mo raybans orm sula bhfágaim an teach
 Nó ba chuma liom, cause tá an t-am ag dul anonn
 Is tá an saol seo I bhfad róghairid bheith ag cur amú an oiread ama ann
 Go síoraí i do cheann ag iarraidh éalú achan soicind

 Mar caithfidh tú tú féin a chur chun tosaigh
 I bhfad rófhurast bheith chomh crua ort féin i gcónaí
 Mar ní haon áit bheith i'do chónaí, déan cibé rud dtig leat a stócaigh
 Is faigh fíor-bhlas sula n-imíonn an beocht di

Underneath all the thundering there's magic

 Is tionchar ann, but we got one chance at, then it's done
 So bí thú fhéin, speak your pain, and receive the love
 Don't let the cunts get ya
 Down, surround yourself with ones that miss ya
 Tóg soicind, tóg anall, nach go [mí sciste?]
 Is creid go daingean go bhfuil an saol seo duitse

Underneath all the thundering there's magic
 And if there's a better way to live, I've gotta have it
 Because I think all day, but when I drink I'm okay
 It gets further away, every time I try and grab it

Sophs - Sweat

I am the boy from your good dreams
 I am a boy in your good dreams
 I'm not the way I used to be
 I dream of people I have not seen bleed
 so sweat yourself, so sweat yourself
 Cause god knows I won't do it for you
 so sweat yourself, so sweat yourself
 Cause God knows I won't do it for you

Lets just pretend we're seventeen
 Before I had to fuck up everything
 I saw you catwalk Lemon street
 You barely turned your head and said to me
 so sweat yourself, sweat yourself
 Cause god knows I won't do it for you

so sweat yourself (Don't try to kill my cool)

sweat yourself (There's nothing left for you)
cause god knows I won't do it
for you (You've earned a lonely night)

(Don't try to kill my cool) (kor stemmer)
(There's nothing left for you)
(You've earned a lonely night)

so sweat yourself, sweat yourself
Cause god knows I won't do it for you

De vil ha' mænd i uniform, selvom det' en kliché
Bag uniformen er der PTSD
Maskuline tårer har vi lært at gem' væk

Tag dig nu sammen, ja, mand dig selv op
Læg låg på det hel', behold din' skrig i din krop
I et lille hus på landet eller mørkegrå blok
Bag gardiner, der gør, selv solen gi'r op (Gi'r op)

For når mænd de græder, er det altid i en flask'
I en streg, i en joint, i en pille eller
En blanding af alting
Ingen tårer, bare vanvid
Når mænd de græder med øjnene i stilhed
Drukner indeni, indtil blikket siger intet
Ikk' had på din far
Bare gi' ham kærlighed, og lær ham at græde, ja
Lær ham at græde

For mænd de græder (Vi græder), vi græder (Vi græder)
Vi græder, vi græder ogs'
Ja, mænd de græder (Vi græder), vi græder (Vi græder)
Vi græder, vi græder ogs'

Hey, daddy, jeg har issues
Jeg ved, det' ikk' er din skyld, det' livet and I miss you
Som om giften lever vider' i mig
Jeg har lyst til at gøre alt det lort, som der ødelagde dig
Hva' ska' jeg gøre med min' tårer, når de hober sig op?
Hva' ska' jeg sige til mor? Hun spørger om, det går godt
Går på svarer, tager ud på en bar
Gør ligesom far, ja

For når mænd de græder, er det altid i en flask'
I en streg, i en joint, i en pille eller
En blanding af alting
Ingen tårer, bare vanvid
Når mænd de græder med øjnene i stilhed
Drukner indeni, indtil blikket siger intet
Ikk' had på din far
Bare gi' ham kærlighed, og lær ham at græde, ja
Lær ham at græde

For mænd de græder (Vi græder), vi græder (Vi græder)
Vi græder, vi græder ogs'
Ja, mænd de græder (Vi græder), vi græder (Vi græder)
Vi græder, vi græder ogs'

Mira papá, yo te amo
Desde lo más profundo de mi corazón, te amo
Med alle vores fejl
Alle de drømme du har haft, alle de knuste drømme
Alle dæmonerne du har sku' dans' med
Og jeg ka' godt se igennem det, og jeg fucking elsker dig
Og jeg elsker din far, og jeg elsker mænd, alle mændene før, før ham

Som jeg ved, der før har prøvet

Du siger du ruller op, hvis jeg rister, imens morgenerne bli'r til natter
Alle er blå - blå silhuetter. Jeg vil bar' gå endnu længere med dig_

Driver langs åen jeg ser månen bli'r blo-keret af dig
Ned' på Den Sidste er vi de første til at gå vores ve-j
Ta'r dig ind, ta'r dig nu, ta'r dig sommeren ud, her jeg gi'r dig mit
hjerte i Århus. Har aldrig danset med en stor mand, en stor mand som dig.

Og ja, jeg føler at jeg ejer byen, som Pablo Escobar i Medellín, ooah
Med vinder-energi på Bellevue, hvor smukke mennesker gi'r mig dejavu ooah

Du siger du ruller op, hvis jeg rister, imens morgenerne bli'r til natter

Der-mange-tårer-i-byen af corny smil, ser dig gå alene rundt, ved ikk' hva'
du tænker på, nej, men du gør at jeg, har det som en jiggalo, der' på vej
til penge lige nu
